WELCOME NOTE

DENTISPHERE is a scientific forum organized by the Faculty of Dentistry Hang Tuah Surabaya University. DENTISPHERE aims to exchange research informations, experiences, development of science and technology in dentistry and to improve the knowledge, skills, and professionalism of attending dentist to face the global era. This year, we held back DENTISPHERE 2nd “ Current Concept in Dentistry” that offers short courses, scientific presentation with up to date topics, and dental exhibition. We invite both local and international dentists, specialists, lecturer, dental practitioner, and all of people that related to dental health to join and participated in DENTISPHERE 2nd on November 8th-9th 2013 at Shangri-La Hotel Surabaya. Let's join DENTISPHERE 2nd and see you there!
